**Year 10 Trio Triumph at State Level**

Jack Beath (left) has recently made the trek to Wagga Wagga where he competed in the NSW Clay Target Association Trap Championship. Jack performed admirably for the Central Zone team, walking away with equal 1st in his class. He has recently invested in a clay target thrower to further his skillset as he aims to defend his title in the coming years.

Tim Middleton (centre) has had a dream run finishing 2nd in the Under 15’s class at the NSW Enduro Championships. This was his first crack at this level and has come away with some promising results.

Rohan Toole (right) has recently clinched a top 5 finish in the Under 17’s Australian Squash Championships. This was his best result in this age group and he is very keen to take the title next year.

They are $40 per year ($20 refundable following inspection).

* Great for your sports gear, computer, personal items, assignments etc

**Lockers are in a safe, dry location in the rear of the canteen area**

**Senior lockers are located in a separate area, in the old quad, where years 11 & 12 have a designated senior area**
Principal’s News

Congratulations to Sarah Clunes, Rachael Wynn and Paige Ellis who were successful in gaining a position in the ‘Girls Choice Summer School’ at Newcastle University in December. The five day residential university experience is designed to inspire students to build upon their potential to succeed in years 10, 11 and 12 and expose them to a wide range of study and career options that exist for HSC graduates.

As part of the transition program with Canowindra High School Mr McLaughlan visited Year 6 students where they were photographed at the Canowindra Public School vegetable garden.

Pictured left are Hannah Johnson, Mackenzie Devlin, Emily Eamens & Mr McLaughlan inspecting the peas.

In the last week of Term 3 we, Alex Willson and Jack Beath, attended the Rotary Youth Agriculture Camp at Wellington. We really enjoyed the experience and had heaps of fun.

We were involved in many activities during the week. These included visiting sheep studs and valuing sheep based on their micron.

Also, we visited a huge cattle station where we played the role of a Stock and Station Agent by selecting the right bull for the scenario given. We then participated in a Mock Auction in which we Canowindra High School boys received the prize for the best team of the camp.

We would like to thank Mr McLaughlan and our parents for helping us to get to the camp.

Last Friday selected Year 11 Hospitality and Year 10 Food Technology students faced an early morning of snow on their way to the Bathurst Culinary Challenge. This bi-annual event consists of schools across the state competing against the clock to cook dishes of their own choosing using set ingredients. Each category had set ingredients allowing you to only add two of your own.

There were two teams of four hospitality students. The first team consisted of Madi Vitnell, Phily Myers, Hayley Wynn and Ally Stoimenoff. They cooked a beautiful stuffed pork and a cherry pudding with a pink custard.

The second hospitality team consisted of Taneil Thornberry, Meg Irvine, Haydon White and Savannah Noble. They cooked divine rolled pork and a chocolate cherry fondant that won them third place.

Melissa Johnson another hospitality student entered individually, cooking duck with stuffed mushroom and a balsamic glaze. This dish placed her third.

Our Year 10 students also cooked well. The team consisted of Lucy Harrison, Taryn Robinson, Annie Elliott and Emma Springall. They cooked delicious apple hotcakes and prosciutto wrapped chicken.

The individuals were Mathew Manglesdorf, who cooked a lovely chicken duet, and Tommy Pye, who cooked a tasty chicken and mushroom fettuccine. Brocke Harvey-Dale was another individual contestant who cooked an amazing dish which won her 2nd prize.

All contestants coped well under the pressure and cooked spectacular dishes that showed off their skills. Congratulations to all the winners and thankyou to Mr Smyth, Mrs Harrison and Mrs Taylor for all their help.
