Faculty in Focus—CAPA (Visual Arts)

Students from Years 9 and 10 Visual Arts and Photographic and Digital Media classes have been given the role each fortnight of setting up the faculty displays in the school foyer. They understand this space presents as the public face of the school, and as such the work must be exhibited in a professional manner.

They are to be congratulated on the current foyer display which includes Music, Visual Arts and Science. It has drawn positive feedback. Well done.

Mounting exhibitions and displays can be likened to producing an artwork. There are many problems to solve including composition and layout, choice of display boxes and boards, inclusion or elimination of work, the relationship of works with each other and within the limited space, aspects of lighting and labelling and other technical issues. Students are encouraged to work by the credo that the finished display should look effortless.

Congratulations to the exceptional group of students that were successful in being elected onto the 2014 SRC. As mentioned last week fifty five very capable students had participated in the initial leadership training so it was a big task to elect just fourteen representatives. I encourage those students who were not successful on this occasion to continue to take on other leadership roles within the school.

Statement of accounts were issued to all families last Wednesday at year meetings. If your child has not provided you with this letter please contact the school to organise another copy.

The Motivational Media proved to be another success last week and I would like to commend all our students for their outstanding behaviour. It is always a privilege to have visitors to the school applaud our students respect, responsibility and maturity.

Thank you to the P&C for their support of the proposed changes for additional staffing for the remainder of the year under the Local Schools, Local Decisions initiative. The agreed use of Equity funding to provide additional support for identified students in the areas of literacy and numeracy will ensure the strengthening of learning outcomes and help maintain our existing programs.

CONGRATULATIONS to Alarna Robinson and Cooper Watson on being last week’s merit draw winner and recipient of the Canteen Voucher.

Neryle Smurthwaite
Principal

Examples from the Year 9 Photographic and Digital Media class

Students in Year 9 Photography are currently studying and building skills in all aspects of photographic composition. Their challenge: to make the ordinary look extraordinary. To do this they know they have to learn not only to look, but to see.

In year meetings last week students voted for their Student Representative Council delegates. The votes were tallied and results announced on Friday. Congratulations to the following members of the 2014 SRC:

**Year 12** - Luke Wallace, Lucy Harrison, Tim Middleton, Emily Price, Talby Upton and Annie Elliot  
**Year 11** – Regan Hughes, Rachel Wynn, Nic Perry and India Parry  
**Year 10** – Rhys Maere and Madison Spencer  
**Year 9** – Cody Smith and Joanna Balcombe  
**Year 8** – Kaleb O’Malveney and Mackenzie Lazarou  
**Year 7** – Wade Kinsela and Zali Dunn

These students have many roles to play in 2014 including relaying information to their year group, assisting in the organisation of a range of school activities such as socials and Youth Week as well as being positive role models within the school. I look forward to working with this wonderful team of students and am sure that they will achieve great things this year.  

Miss Hamilton (SRC co-ordinator)
